Powerful Value. Delivered.

Prices in effect from October 1 – October 31, 2024. Brandt strives for accuracy in all product descriptions and pricing. In cases of late shipments of goods, Brandt will make every reasonable effort to supply our customers with a substitute product or raincheck. All sale items are limited to stock on hand and Brandt reserves the right to limit quantities. All prices indicated do not include GST, PST, HST, drum/tote deposit, or levies. Product may vary by location and are available while supplies last.

ONE-PASS PRODUCTIVITY.

Get the best residue management and seedbed preparation in fewer passes with the new Brandt High-Speed Disc.

More Speed

Spend less time in the field with operating speeds of 10 to 14 mph, and our easy-to-use wing down-pressure system.

More Uptime

Purpose-built components with a robotically welded frame and greaseless bearings ensure near-zero maintenance for more uptime and durability.

More Options

Choose from seven unit sizes and a variety of discs and rollers that are perfectly suited to your field, conditions, and desired finish.
